</table>
What don’t you like about this room?

- No Colour on walls
- Not colourful
- Chairs are not comfy
- Computers are ugly
- Natural light
- Not welcoming
- Doesn’t smell good
- Posters are ugly and boring; not fun; jagged and a bit torn up
- No ipads
- I hate that it’s hot
- Too quiet
- I don’t like construction outside the window
- Whiteboard is grey not white
- The dark hall out the front
- Chairs are really low
- Chairs are not safe to sit on when they are stacked
- Teaching area hasn’t got any markers or rubber
- Apple computers
- Window at your feet
- Whiteboard is old and yucky - can see all the writing underneath
- Plain shutters
- Mismatch chairs
- It looks old and boring
- The carpet colour
- Needs a green screen
- It needs soft paddy wheely chairs
- It needs a pile of pillows
- Way it is set out - you can’t move the desks
- Not much writing space at bench
- You can see lots of wires
- Grey and boring
- Needs more posters
- Shape of the tables
- No clock
- No touch screen computers
- It’s hot even when the air con is on
- The spot it is in (in the building)
- Lights aren’t bright enough
- People are building beside it and the construction site is blocking all the light

What activities do classes use this room for?

- Technology
- Groups problem solving
- Doing tests (computer and non-computer)
- Technology lessons
- Sometimes used for Maths
- PE groups when we had to write a story
- Problem solving
- Computer groups
- Documents
- Fun and rewards
- Scratch
- Printing
- In Year 3 we did board games
- Grade 3 reading groups,
- IT
- Watching videos on wet play days
- Learning projects
- Developing essential computer skills
- Extension groups
- Design
- Research
- Make powerpoints
- Spelling groups

“I value ... projectors; computers; technology; children having fun and not doing school work; seeing people finish their documents; kids coming; all the creative work; kids enjoyment; children learning here; how much students love the room; nice cool temperature; happy children come to use this room; the children's company; getting things right and checking work; that the lovely girls don’t break the computer rules and the computers;
How could colour be added to the room? What colours would you choose? Why?

- White walls to avoid distractions
- Orange blue, purple, orange, pink, turquoise and green yellow on walls to make it welcoming and people feel excited and it's not dark
- Wallpaper
- Coloured keyboards
- Coloured and patterned carpet
- Black curtains
- Puppy paw print on half the room and pink sparkles on the other half because it is cute with purple chairs
- Add some really faded blue to the wall to bring some life to this room and make the room more fun to work in
- Bright colours because it brings you joy and happiness
- Green front wall to match school colours
- Blue back wall
- Coloured carpet, walls, chairs and roof
- There could be multi-coloured walls because people would be excited to come into this room
- Bright pink carpet because it adds beauty and it's welcoming
- It needs aqua and silver lines because it would brighten the room up and make it more enjoyable
- Periwinkle or different coloured computers because they keep us awake
- It needs a black ceiling so it wouldn't be too light.
- I want it kept grey-white because it is not distracting
- Green on roof, hexagon patterns of green and blue on walls because those colours give you a positive feeling
- Coloured glossy tables so they are more easy to clean
- Make the walls cream white because it will not distract people and it is a nice colour
- Tan warm brown because it is not a distracting colour

What could be done to improve this room?

- Take down posters; have mouse pads, remove notice boards for just wall space; have higher chairs but they all be the same
- It could not just be a technology room it could be a camera room
- All the same chairs
- Cushioned chairs
- Stationary cupboard in the right top corner of room
- Drawers where computer desks are
- Different computers
- Better air con
- Couches and cushions should be added
- Couches with dog paws and kitty paws
- Lolly jars
- Spark shower
- Fire extinguishers to keep us safe
- Ipad work area
- Laptops
- Whiteboards at back of room
- Thinking corner
- New air conditioning
- Add more learning posters
- More colourful and creative so the children feel inspired
- Bright not dull
- Lockers for headphones
- Bit more space to do stuff
- Brighter light not too bright
- Sound proof
- Everything because it is boring
- Softer chairs
- Private compartments with your name on them so it would help with learning and no one could cheat
- Get rid of ugly posters
- More walking space
- Better blinds
- Less posters
- Have even walls (wall juts out where whiteboard is)
- Book nook to use for research as well as technology
- Spinny chairs
What technology would you like to see in this room?

- cameras
- laptops
- video cameras
- stands for cameras (tripods)
- more printers
- iPad corner with chargers
- minecraft on computers; Harry Potter pop quizzes;
- iPhones
- iPads on a charger
- Larger electronic whiteboard screen
- Whiteboards on the walls
- iPads the size of a whiteboard
- Television
- Chargers
- Better computers
- Green screen + video camera
- Touch screen computer monitors
- Cameras to practise photography
- iPads for fun in spare time
- Cordless mouse
- Bigger computers
- 3D glasses
- Touchscreen walls
- iPads with Foxtel and Netflix
- Video games
- Not just computers - other devices
- Big headphones
- video cameras
- everything that is fun;
- small computers

What sort of furniture would you like in this room? Explain how it could be used in different ways during learning activities.

- Shelves
- Chalkboard
- Plants
- A few desks
- Couches
- Cushioned chairs
- Hammocks
- More white boards
- Curtains for a reading corner and cushions
- Taller chairs
- Movable desks
- Partitions between computers
- Little mat with bean bags for group work
- Hanging chairs
- Stools
- Divided into rooms
- Beanbags to relax on when you use iPads
- I like it how it is but a couch in front of the TV big screen would be great
- Soft padded wheely chairs - nicer chairs
- A pile of comfy pillows we can use when we use iPads
- Moveable desks
- Cushioned chair
- Pots with a pretty flower in it
- Multipurpose desks
- Bookcase
- Book nook to help find information if you can't find it online
- Clock
- More big whiteboards and little whiteboards
- A couch so the teacher can sit down
- Mini beanbags to hold the iPads when you are using them - like a stand.
